

LOCAL NEWS.

MONDAY EVENING, NOVEMBER 25.

THE AQUEDUCT.—For the information of our citizens we re-publish from the Washington Republican the bill filed by Mr. Shoemaker of Georgetown, in the matter of the Alexandria Canal Aqueduct. The grounds assumed by those who desire to destroy the Aqueduct and the Canal, will be seen by the document, and we at once say, that more flimsy unsatisfactory reasons were never set forth in a legal document, for the perpetration of a great wrong. For ourselves we are rejoiced that the whole subject is at length brought before the judicial tribunals, so that it can be settled effectually, and the harrassment of the Georgetown people ended, by a recognition of our rights in property, secured by purchase, by law, by justice, and by considerations of public policy.

ALEXANDRIA & WASHINGTON RAILROAD.—In the Circuit Court of this county, on Saturday, the case of the Alexandria and Washington Railroad Company vs. the Washington, Alexandria and Georgetown Railroad Company, was again taken up when it was adjudged and decreed that the whole proceedings of the County Court for Alexandria county, at its February Term, 1862, substituting Joseph B. Stewart trustee, in lieu of Walter Lenoxx, was without authority of law, and null and void, and that all the subsequent proceedings of the said Joseph B. Stewart under said deed, his sale of the said road and its franchises to Alexander Hay, and the incorporation of the said Washington, Alexandria and Georgetown Railroad Company, growing out of the said sale, are null and void, and the same should be set aside and annulled. And it further appearing to the court from the petition of Coleman et al., that since the proceedings aforesaid, various interests of large magnitude have supervened, which will render it inexpedient at this time to make a decree for the restoration of the road to the complainant, the Alexandria and Washington Railroad Company, until said interest shall have been further investigated, the court doth permit that the said road remain under its present management, subject to the future orders and decrees of the court.

PUNCTUALITY IN BUSINESS TRANSACTIONS.—The value of punctuality in business transactions can scarcely be overrated, or its importance too frequently impressed on the minds of those who are being educated for business pursuits. The man who promptly fills all his business engagements must of necessity win the confidence of those with whom he associates, and he thus possesses himself of one of the essential elements of thrift; while he who is careless of fulfilling to the letter his engagements, can never expect the trust of his fellows, and thus deprives himself of the chief means of winning his way in the world. A tradesman's word is worth more to him than all the goods in his store; he cannot afford to violate it; and every time he does so it is at a greater cost to himself than to any one else. For though the person he disappoints may not remonstrate, or "make a fuss about it," in most cases an inward resolve is formed not to be found in the way of a second disappointment, a determination "not to be fooled a second time." To possess the confidence of the community in which one dwells is a subject so important that every young man should make it an especial study, a study of more importance than the acquisition of wealth, to which, indeed, it is the stepping stone and key.

IMPROVEMENTS.—We are always gratified to note any improvement in our good old town, and now note with pleasure in addition to the other buildings in contemplation, and in progress of erection, that the frame house on Fairfax street, between King and Prince, formerly occupied by Enoch Grimes, as a stove and tin ware store, has been sold by Samuel H. Janney, to Enoch Grimes and J. Broders, for \$1,500. The old building is to be torn down at once, and in its stead is to be erected a three story brick building, with a handsome pressed brick front, the first story of which is to be used as a store, and the second story as a place of worship, for a Baptist congregation.

ROBBERY AND RECOVERY.—On Saturday night last, Mr. R. W. Smith, who resides near Cameron Run, came in town to market and hitched his horse and buggy to a post in Market House alley. In a little time, horse and buggy were gone. The police were informed, and late at night the buggy was found near the river by Messrs. Davis and Webster; the horse was subsequently found by Mr. Chipley near the village of Petersburg. The owner recovered his property, but the thieves have not been arrested, although warrants have been issued for the arrest of three boys charged with the offence.

MARINE DISASTER.—The schooner Transit, Captain Endicott, of Dighton, Mass., while on the voyage from Georgetown, D. C., for Bergen Port, N. J., with a cargo of 350 tons of coal, sprang a leak during Saturday night, and the water gaining rapidly with both pumps at work, the Captain ran her in near the shore a little above Maryland point, where she sank in fifteen feet water. The Captain came up yesterday evening in a Government steamer to communicate with the owners regarding the means for raising her, &c.

I. O. O. F.—This evening, at 7 o'clock, it is expected that Maganenu and Mount Nebo Encampments, I. O. O. F., with the members of Columbia and Ridgely Encampments, will meet at Odd Fellows' Hall, in Washington, and then take the cars for this city, where they will pay a fraternal visit to Marley Encampment, I. O. O. F. A pleasant time is anticipated.

A NEW VILLAGE.—We mentioned the other day the report, which we are informed is now confirmed, that Messrs. Quigley, Duncan & Co., lessees of the Alexandria Canal, have purchased 140 acres of land on the Virginia shore, next adjoining the Aqueduct on the west, for which they have paid \$16,000 in cash, and that they contemplate dividing it into lots, and erecting suitable buildings thereon.

BALL.—The ball of Osceola Tribe I. O. R. M., takes place to-night, at the Assembly Rooms.

CIRCUIT COURT.—Judge H. W. Thomas.—SATURDAY—CHANCERY SIDE.—Ellison & Sons vs. Wm. E. Atwell, et al.—cause recommitted to Commissioner in Chancery.

Alexandria Water Company vs. Edward S. Hough—thirty days allowed the defendant to lay before the Commissioner the statements, books, accounts, vouchers, &c., and cause continued for further proceedings.

C. A. Bodkin vs. Jane Scott The Court being of opinion that the defendant is insane, John Summers was appointed committee of her estate.

Bernard C. Crook, et ux. v. Rosanna Cline, et al.—decree of sale, and D. L. Smart appointed commissioner.

Harriet B. Wilson, et al., vs. James C. Wilson, et al.—decree made.

John Lally vs. Jas. S. Halliwell, et al.—decree of sale, and Andrew Jamieson appointed commissioner.

Abbott & Noble vs. Kell, surviving, et al.—decree made.

Wm. L. Fraser vs. Moses A. Febrey—decree that plaintiff recover of defendant \$600, with interest, and unless paid within 30 days after the adjournment of Court, that the land attached be sold at public auction by the Sheriff.

Chas. A. Radd, et ux. vs. Malvina Maxwell, et al.—decree of sale, and L. B. Taylor and G. W. Brent appointed commissioners.

COMMON LAW SIDE.—Wm. D. Nutt vs. J. W. Downey—in ejectment. The matters of law, in lieu of a special verdict being argued, it seemed to the Court, upon the whole matter therein contained, that the law is for the plaintiff, and it was considered that the plaintiff recover possession of the premises described in the declaration and his costs. On motion of the plaintiff a writ of possession was awarded. On motion of defendant the execution of this judgment was stayed for 90 days, to enable the defendant to apply for a supersedeas.

H. W. Wallace vs. S. N. Garwood and Jas. A. Stoutenburgh—on a motion on a forthcoming bond—judgment against defendants for \$1,088.14, the penalty of said bond, to be discharged by the payment of \$544.08, interest on \$500, part thereof, from 28th May, 1867, and costs.

Barnes & Son vs. "schooner Wm. Thomas"—on an attachment—judgment against defendant for \$95.50, and costs, and Sheriff ordered to sell the schooner at public auction to satisfy said judgment, and execution stayed for sixty days.

Brown & Bro. vs. Orange and Alexandria Railroad Company, et al.—in debt—judgment for \$350, with interest from July 15, 1861, till paid, with costs of protest, and costs.

Court adjourned till Court in course.

REMOVED.—The Broom Factory of Mr. H. Eric Smith, has been removed to the large brick building, four doors below the old Factory. We are pleased to learn that the Factory is doing well, and that the business is steadily improving. The work turned out is of a superior quality, and prices are as low as the same articles can be bought at the North.

THE WEATHER.—The weather for the last four or five days, has been mild and misty—with occasional warm sunshine—probably the real Indian Summer. Early in the morning, to-day, the fog on the river was thick, but it soon cleared off.

SALE.—A two-story frame building, on the north-west corner of Wolfe and Royal sts., was sold at auction to-day, by Allen Harmon, trustee, to Robt. Bell, Jr., for \$325, subject to a ground rent of \$20 per annum.

ADJOURNMENT OF THE CIRCUIT COURT.—The Circuit Court adjourned on Saturday last, about 7 o'clock at night, until Court in course. A large amount of business was transacted during the term.

BATTERY RODGERS.—Battery Rodgers was this morning transferred to the new military command which is to garrison that port. The company lately on duty there, left for Fortress Monroe.

THEFTING.—We hear of some cases of petty thieving at night on the suburbs of the town. The police and watch are requested to be on the look-out.

STEAMBOATS.—Yesterday afternoon, there came up the river in succession, the steamers Kennebec, Wawaset, Columbia and Keyport.

POLICE REPORT.—MAYOR'S OFFICE.—There has been but little doing at the Mayor's Office for the past four or five days. Yesterday morning two loafers were brought from the Watch House, it being the second time they have been visited that place for lodging. The Mayor admonished them and ordered one of them to leave the city in the first boat. Shortly after his departure the officers suspecting that he was connected with the robbery of Mr. Smith's horse and buggy, went in search, arrested, and brought him before the Mayor, who examined him, but no evidence could be adduced to criminate, and he was discharged again.

The second party was given until to-day to leave, he having stated that he was promised work in the country then.

MAGISTRATE'S OFFICE.—Justice Beach this morning issued a warrant for the arrest of Mary Bennett, charged with stealing a cloak from Sarah Hart; also a warrant against Patrick McCann, Barney Bennett, and James McSherry, boys, charged with stealing a horse and buggy from Mr. Robert Smith.

Yesterday was tolerably quiet, the few "roughs" from the District, who came down conducting themselves with more decorum than usual. Some of the friends of the persons in jail here, for complicity in the affair at the house of Mr. Butte, on the 17th instant, attempted to visit them, but were promptly and peremptorily refused by the Deputy Sheriff. This communication with prisoners by persons from the outside is nearly always injurious, and the authorities at the jail have set their faces against it. It would be advisable for these characters when they come here to recollect that the officers have jurisdiction on the boats during the time they are along side of the wharf, and the language of yesterday will not be tolerated a second time. "A word to the wise," &c.
